Dear Colleague:

We wish to inform you that the Agricultural Librarians Association of the Philippines (ALAP) will conduct a one-day forum in celebration of its 35<sup>th</sup> Anniversary on June 8, 2007, Friday, at the College of Engineering and Agro-Industrial Technology (CEAT) Library, University of the Philippines Los Baños. The theme of the forum is "ALAP at 35: Empowering Information Professionals for Library 2.0." For more than three decades, the Association has proven its commitment through sponsoring activities geared toward professional advancement not only to its members but to librarians and information managers in general.

In this regard, we would like to invite you to participate in this activity.

This Forum aims to update the librarians/information managers on the new path of the profession and the current applications of ICT on library services. This occasion will also serve as a reunion of ALAP members from all over the country.

Enclosed is a copy of the program for more detailed information. We would appreciate it very much receiving e-mail or text for reservation on or before May 25, 2007 to the following ALAP e-mail address and cellphone numbers of ALAP officers:
